Figures Reveal Big Savings In School Operation

Elementary and high schools of Santa Clara county are being operated this year on budgets more than a third of a million dollars less than last.

This evidence that boards of school trustees have taken lead in public economy is contained in an "Education Week" report on school finances prepared in the office of Superintendent of Schools Joseph E. Hancock. Comparing amounts disbursed for the year 1931-32 with amounts budgeted for the year 1932-33, the report shows elementary and high school costs for the year ending in June will be \$339,719.27 less than for the year ending last June.

The total of elementary school budgets for the current year, the report shows, is \$138,960.97 less than the total disbursed last year; and the total of high school budgets for the current year is \$200,758.30 less than the total amount disbursed last year.

Here are the figures:

	Disbursed 31-32	Budgeted 32-33
Elementary Schools	\$1,913,185.20	\$1,774,224.23
High Schools	1,767,068.81	1,566,310.51

Budgeted figures, it is pointed out, are at least \$50,000 short of picturing the actual savings effected, since the report takes no account of the five per cent voluntary salary contributions of teachers in the San Jose school department for relief purposes.

The Campbell union elementary school budget for the current year, the report shows, is \$59,840 as against \$65,623.71 disbursed last year; and the Campbell union high school district budget for the current year is \$65,623 as against \$69,162.40 disbursed last year.

Following is a list of school districts whose budgets for the current year have been cut by more than \$1,000 over last:

Elementary School Districts:	Disbursed 31-32	Budgeted 32-33
Berryessa Un.	\$23,423.53	\$19,425.00
Burbank	26,282.42	24,210.00
Burnett	7,190.94	6,163.50
Campbell Un.	65,623.71	59,840.00
Cupertino	39,373.82	38,008.34
Franklin	10,867.49	9,260.00
Gilroy	75,881.86	63,948.85
Jefferson Un.	31,239.98	25,726.00
Los Altos	25,121.30	23,885.00
Los Gatos	58,289.96	47,857.05
Moreland	11,204.67	9,672.00
Mt. View	70,402.62	65,388.00
Oak Grove	8,966.38	7,900.00
Palo Alto	204,070.30	195,665.00
San Jose	740,803.79	712,000.00
Saratoga Un.	21,935.52	18,487.00
Sunnyvale	66,071.46	59,895.00
Sunol	21,631.84	17,870.00
Willow Glen	67,846.06	65,755.00
Sta. Clara Un.	111,528.04	76,572.16
High School Districts:		
Campbell Un.	69,162.40	65,263.00
Fremont Un.	63,775.09	57,661.00
Gilroy	74,059.28	64,737.19
Live Oak Un.	72,769.55	41,200.00

QUILT EXHIBIT FRIDAY NIGHT AT C. U. G. S.

A quilt exhibit will be held Friday night at the Campbell grammar school cafeteria by the P.T.A. in connection with the program for Public Schools Week, Mrs. Harry Rediker, president of the P. T. A., announces.

Mrs. Rediker asks all women in the community who have unusual quilts to bring them to the cafeteria Friday. They will add much to the value of the exhibit, and will be carefully taken care of.

Bertha A. Hellyer Laid At Rest In Oak Hill Thurs.

Coming as a shock to the community was the death of Mrs. Bertha A. Hellyer Monday evening. She had undergone an operation on Monday from which she was unable to rally.

Mrs. Hellyer was a native of California and 69 years old. She was well-known and loved in this community, having lived here for many years. She was the widow of the late M. R. Hellyer.

She is survived by her daughter, Mrs. Herold Morton, and grandchildren, Richard and Wilbur Morton; a brother, W. L. Bierbach of San Jose, and a niece, Mrs. Ralph H. Martin of San Jose.

Funeral services will be held tomorrow, Thursday afternoon, at 2:30 from the parlors of the San Jose Undertaking company. Entombment will be made at Oak Hill.

Miss Helen Kalas Soprano Soloist, "The Creation"

Miss Helen Kalas has been chosen soprano soloist for the production, "The Creation," to be given by the San Jose Municipal chorus Monday night, May 1, which is the opening night of National Music Week. The entertainment will be presented in the Roosevelt school auditorium.

The offering of "The Creation" on Monday night will mark its first appearance here for many years, and the chorus has been working for some time in order to give the public a finished production.

Miss Kalas is one of the valley's best-known and popular singers. She had the musical lead in the Monterey pageant a few years ago, and has at various times been the featured singer at the Los Gatos pageants. She has appeared in many programs in Campbell, accompanied by her father, Jan Kalas, and her sister, Bozena Kalas.

Miss Kalas' appearance in "The Creation" will add greatly to the charm and beauty of the production.

COUNTRY WOMEN TO HOLD ANNUAL MEETING MONDAY

Monday, May 1, the annual meeting of the Country Woman's club will be held in the Community hall at 2:30 o'clock.

Reports of officers and of chairmen of committees will be given, election of directors held, and amendments to the by-laws voted upon.

A full and prompt attendance of members is urged.

Medical Meet

Dr. Frank R. Anderson attended the northern California Medical convention at Del Monte Monday and Tuesday.

THANKS, FOLKS!

The Campbell baseball team wishes to thank the fans and business men of Campbell who so generously contributed to their recent drive for funds. Enough money was collected to buy much needed bags, balls, bats, and caps. The response was very gratifying.

Local Ball Team Wins First Game Of 2nd Division

The Campbell baseball nine started off the season with a bang by defeating the Druids 10-6 Sunday at the local diamond. This was the first game of the second division, Valley league, which includes the following teams:

Campbell, Druids, Y. M. I., Villa Roma, Los Gatos, McKinley, Outlaws, and Faultless Cleaners.

In Sunday's game Campbell's ten tallies were the offspring of 18 hits, while the visitors averaged better with six runs out of eight hits.

Albini struck out three for the Druids; Eddleman for Campbell struck out seven; Silberbauer, V. Murty, and Gray hit homers for Campbell; V. Murty, Gomes, and Soutar got three hits for four; Lefty Fulton, Campbell's star first baseman, put on an exhibition worthy of a big leaguer; Melbourne and Fragoza umpired the fracas.

Next week the local boys play Los Gatos at that city. They urge all local fans to be on hand for the game.

Public Schools Week Program Friday Night

A program by the grammar school pupils Friday night at the Campbell union grammar school auditorium will conclude the public schools week observances in this community. The program is being arranged by Ira R. Abbott, superintendent, and A. A. Thielke, musical director.

A talk by William A. Sherman, who laid the cornerstone of the school building, will be followed by several selections by the high school band and the grammar school orchestra. Wilbur Morton and Donald York will play a trumpet duet and June Porter and Geraldine Jurras will play a saxophone duet. A music reading will be given by Emily and Lois Bohnett. Geraldine Jurras will favor with a reading, and a dramatization will be given by Emily Bohnett.

"A Trip to Bad Manners Land" by the eighth grade pupils and dance numbers by Jane Lee Hopkins and Jacqueline Mitchell, pupils of Miss Ruth Adeke Roberts, will conclude the program.

Opens In Richmond

Friends of Dr. J. Edwin Fanning, who practiced dentistry here until a few months ago, will be pleased to learn that he has opened offices at 912 MacDonald avenue in Richmond.

General Discussion Marks Meet Of Campbell Grange

Discussion of pertinent problems of the orchardist occupied the time at the regular business meeting of the Orchard City grange held Tuesday night and presided over by Lawrence Hendricks, worthy master. Two visitors, Mr. and Mrs. Graebel of the Aromas grange, Monterey county, were welcomed.

R. B. Hummel reported the legislative hearing at Sacramento on the farm relief bill backed by the grange, and said that most of the proposals of the grangers were accepted. Harry Barnes also attended the hearing.

S. N. Hedegard, Harry Barnes, and Chauncey Whitman talked on the progress of the compulsory farm cooperation bill which is coming before the state legislature as a result of the efforts of the Orchard City grange, and subsequently the state grange.

Whitman gave as his opinion the fact that the bill in its revised form is useless because it contains an obvious loophole for the farmer who will not cooperate.

Irrigation hints were given by L. L. Merrill of the farm and orchard committee, who read an article warning farmers of the plowpan formed when the soil is worked when too wet. Harry Mitchell stated that a good farmer should watch his soil carefully. Lloyd Gardner elaborated upon the theme.

Discussion of relative costs of Diesel engines and electric power in pumping and other farm work were given by George Husted, Lute White, and Harry Mitchell. A 63-h.p. Diesel engine, which costs initially \$2,365, will operate at 20 cents an hour cost, while electric power averages one dollar an hour, according to Mr. Husted. Mr. White and Mr. Mitchell both said that the new rates offered by the P. G. & E. are not lower, but merely a camouflage to appease farmers and make them think the rates are lower.

A school of instruction for all grange officers and members in the county was announced for April 29 at 8 o'clock in the San Jose I.O.O.F. hall.

County Supervisor Joe McKinnon defended the zoning ordinances, saying that they protected the residents of districts outside of incorporated areas, and that they were put through at the request of the districts affected.

Appointed to visit the schools during Public Schools Week were Mrs. Louis Shelley, Mrs. Harry Mitchell, Mrs. Floyd Bohnett, and Mrs. H. A. Butts.

Union Dist. Club Plans Card Party

The annual meeting of the We and Our Neighbors club will be held Saturday, May 20. Mrs. Walter Magnuson has charge of the tables on which a "mystery" luncheon will be served at 12:45.

A whist party is being arranged for Saturday evening, May 13, at the clubhouse. Everyone is cordially invited to attend, according to Mrs. Magnuson, chairman of the committee in charge of the affair.

To Minnesota

Harlan Johnson left Monday morning for Red Wing, Minn.

J. Wiesendanger New President Prune Association

At the annual election of officers of the Campbell-Los Gatos local of the California Prune and Apricot Growers association held at the grammar school auditorium Monday night, J. E. Wiesendanger was elected president of the local group. George C. Payne was re-elected central representative, and W. T. Hobson was re-elected secretary.

The candidates up for re-election had some competition from a well-defined group who sought to seize control of the branch, whose candidates were defeated by a comfortable margin.

C. C. Pape, prune research director for the association, spoke on the "Development of Prune Industry By-Products." Growers, he added, are waking up to the value of the association, and are more and more appreciative of the efforts of the officials.

Refreshments in the grammar school cafeteria served to heighten interest in the evening's program.

Hyde Cannery Will Run, Two Others, Rumor

W. A. Bundy and three others have joined together and formed what will be known as the Campbell Packing corporation, and have leased the Hyde packing plant for the period of one year, from May 1. They intend to start packing fruit about July 1, starting with apricots, and following up with the other fruits of the valley.

Mr. Bundy is well-known here, having at one time been in charge of the California cannery.

Welcome rumors have it that the J. C. Ainsley and California canneries will also operate this summer.

SERVICE CLUB SEWS FOR RED CROSS AT MEET

Mrs. E. R. Kennedy, Mrs. G. E. Farley and Mrs. Harry Lohr were hostesses to the Women's Service club at the Kennedy home on the Santa Clara-Los Gatos road Wednesday afternoon.

Mrs. William Lloyd, president, presided over the business meeting. Reports and announcements were heard. The announcement of a barbecue was heard with interest. The affair will be held at the home of Mr. and Mrs. Arthur Wellington, Friday, May 12, for club members and their husbands. Mrs. Richard Saveker and Mrs. Ira Abbott were appointed to assist Mrs. Wellington with arrangements.

Following the business meeting members sewed on garments for the Red Cross and made curtains for the Epworth League room of the Methodist church. They also sewed quilt blocks and mounted several pictures.

A social hour and refreshments followed. Tea was served at beautifully appointed tables attractive with yellow and pink tulips and blue iris.

Current Comment

While the California Prune Pool faces possible annihilation at the hand of hesitant growers, the California Almond Growers exchange announces that business pertaining to the 1932 crop is all cleared up, and that final payments, amounting to \$250,000, will be mailed to growers forthwith.

This organization provides an example of considerable worth to the prune grower who is reluctant to sign up this year's crop with the pool.

Many prune raisers are dissatisfied with the progress made by the pool this past year. They fail to appreciate fully the difficulties to be surmounted by the organization, and even now do not appreciate the really tremendous advancement of the industry at the hands of the pool.

To those who believe, from one year's evidence, that the pool is not going to be a success, we recommend a study of the Almond exchange, Walnut association, and the various organizations engaged in marketing citrus fruits. A perusal of their history will show that they, too, had their up and downs, and that rarely does any marketing organization accomplish more than has the prune pool during its first year of operation.

It becomes increasingly important that 80 per cent of the 1933 prune crop be signed up without further delay. Propaganda against the pool should be given no credence, because its source is easy to define. With the pool, the industry has a good chance to recover—without it, the industry will again be at the mercy of those who profit most when half the growers are at swords' points with the other half.

More and more numerous become reports of "suicide pacts" between man and wife. A San Jose couple were found dead in the Santa Cruz mountains only this week. Suicide.

In these turbulent times there arise many situations which, to an already overburdened mind, spell but one thing—complete disaster. All too frequently money or, rather the lack of it, is the spark that kindles the flame of self-destruction.

Death is regarded by some people as an easy way out of their difficulties. We, however, cannot recommend it. Being broke—or going broke—is no particular disgrace these days. Most of us are pretty badly bent as it is, and practically anybody can go broke between sunrise and sunset. If you go broke "honestly" no one can put you in jail for it, and no deserving person is permitted to remain long in want in this country.

Better times are bound to arrive sooner or later; let's stick around and wait for them.

It is reported that the Fiesta de las Rosas parade will not be held this year. The baby parade, and probably the flower show, yes—but not the "big parade."

This is indeed good news to the writer. For the past several years we have subjected ourselves to a hot afternoon in San Jose, fearing to miss something which might be new. We could have spared the effort, however, because it is always the same.

How much better to hold the Fiesta parade once every five years, say. People would not then become bored with the event, and it would

be much easier to work up a bit of genuine enthusiasm for the fete.

Too, participants therein would feel more like putting on a good show, for they would not be faced with a duplicate expense the following year. It would give all hands a chance to recuperate financially and otherwise.

SEA SCOUTS TRADE PROGRAM FOR EATS KIWANIS DINNER

Lieut. H. H. Hallin, district commissioner of Sea Scouts, was the speaker at Kiwanis dinner last evening when the local club was host to the nationally famous Campbell Sea Scout troop.

Skipper Grattan and First Mate Henry Ruthnick presented the members of the three boat crews, among them several "Eagles" who will receive their quartermasters' rating at the coming regional scout court of honor at Santa Clara.

Lieutenant Hallin spoke of the training of scouts for better citizenry and the international fellowship that is so pronounced at all big meets. Not only the golden rule, but also forgiveness is stressed, as well as good sportsmanship, he said.

An informal program of signaling, reports of trips, and other activities was given by the troupe. The Skipper thanked the Kiwanians for their support and interest in the boys. He stated that they were always ready to trade programs for "eats."

Dr. Weyland Morgan was appointed chairman for next Tuesday's meeting. The speaker will be Dr. M. W. Kapp of San Jose.

Scout Officer

Eugene Grattan was recently made district commissioner of Sea Scouts and co-worker with Lieutenant Hallin, Sea Scout executive.

Entertains at Luncheon

Mrs. Ethan Lanphear entertained the members of her bridge club at a luncheon today at her home in Saratoga. Bridge followed.

In the Public Interest

IN A SMALL VILLAGE it is no hardship to go to the post office to send a letter and receive mail. When the village grows to a city, branch post offices and mail carriers become necessary adjuncts to the main post office, in order to afford the public more convenient service.

The many branches of the American Trust Company, so located that one is quickly accessible to virtually every citizen of the Bay Region, have likewise been established to afford the public more convenient service.

These branches, by design, have largely been concentrated in the closely related, interdependent communities of this area. Thus does this 79 year old bank offer the proven benefits of centralized banking plus the modern convenience of branch banking.

We invite you to call at our nearest branch.

No HOME IMPROVEMENT costs so little and gives so much

THE installation is simple with no fuss or bother to interfere with regular household operations. Then your home will have hot water service from any faucet at any hour of day or night. The heater

can be safely vented into any existing flue and it is generally not necessary to change the piping. Along with this service of Automatic Hot Water is a positive assurance that it will cost you less per gallon to operate than the water heater you are now using.

Did you ever stop to consider why you see Automatic Gas Water Heaters in practically every new house contractors and builders have built for sale in the past five years?

There is an excellent reason. It was to make these new homes most saleable, modern, complete. Architects, contractors, builders know that on-tap service of hot water from an Automatic helps the sales of their houses and

holds the sale to the purchaser.

No home improvement costs so little and gives so much. Purchase terms are as little as \$4.85 down and \$3.85 a month and two years to pay if you wish. Every day you delay in having the service of Automatic Hot Water is time wasted, convenience sacrificed. See the modern Automatic Gas Water Heaters on display in our office or at your nearest dealer. Select the model for your home today.

Natural Gas

contains twice as much heat as the former manufactured gas. It is a much cheaper fuel to use. For cooking and water heating it has cut our customers' bills as much as 53%.

... Invest in the installation of an **AUTOMATIC GAS WATER HEATER**

think of it... only \$4.85 DOWN \$3.85 a month ...that is all!

THE FARMERS CORNER

By Ralph H. Taylor

Positive action to assist California agriculture in limiting market supply to market demand and stabilizing commodity prices—perhaps the most important problem confronting the farming industry—appears likely to become one of the major accomplishments of the 1933 state legislature.

Although there is still some possibility that the program will fail of legislative approval, present indications seem to augur well for enactment of the pro-rate commission bill, which is viewed by agricultural groups as the sanest plan yet brought forth to deal with crop surpluses.

Two bills are at issue, the general act being assembly bill 1122, introduced by Assemblyman Meeker, Fresno; Scudder, Sebastopol; Clow Fresno; Cloudsley, Stockton; Sam Robinson, Imperial; Scudder Sebastopol; Alter, Ontario; O'Donnell, Woodland and Zion, Modest. A separate bill to set up a program for the citrus industry is fathered by Assemblyman Utt of Tustin.

In broad interpretation, the general pro-rate bill permits the producers in the various branches of the farming industry, when necessity demands such action, to protect themselves against market demoralization by controlling, under a pro-ration agreement, the movement of their products to market.

Yet the bill protects the individual rights of farmers by giving them the right of independent action in that they can market either independently or through a cooperative. This should not in any way be confused with compulsory cooperative marketing.

The measure sets up a pro-rate commission of nine members, which will be self-supporting after it is once launched, and empowers that commission, upon vote or petition of two-thirds of the producers of a commodity in any district to limit the movement of crops to market under a proration agreement.

To provide flexibility in operation, each farmer coming under a pro-rate deal would be issued a certificate for the proportion of his crop he would be entitled to market.

If his own crop was of inferior quality and a neighbor had a quality crop, he would be entitled to sell his pro-rate certificates, thus permitting the best products to go on the market and yet limiting the amount.

Four of the members of the pro-rate commission, it is stipulated in the bill, would be farmers, with representation given to the vegetable, dairying, citrus and deciduous fruit industries. Three members would be named to represent consumers and would be neither producers nor handlers. Still another member would be a commercial handler of farm products and the ninth would be an experienced cooperative marketing handler.

In establishing a proration set up, the district involved might be restricted to a local area, or might even embrace the entire state, dependent upon necessity and the desires of the industry, but the pro-rate plan could be set in operation only by vote of two-thirds of the producers.

The Utt bill—A. B. 2372—bears only on the Valencia orange deal, setting up a special board to handle proration for this industry because of the tremendous scope of the citrus problem. The feeling of some growers that a large industry such as the citrus group might dominate the general proration program is also obviated by the

CHICKEN DINNER SET FOR MAY 19, AT LOCAL CHURCH

Mrs. Rose E. Hanger entertained the members of the Ladies Aid of the Methodist church at her home on San Jose-Los Gatos road Thursday afternoon.

During the business meeting, presided over by Mrs. A. D. Rice, president, plans for a chicken dinner to be held May 19 were completed. The following committees were appointed for the affair:

Mrs. M. J. Palmer, general chairman; Mrs. Palmer, Mrs. Rice, Mrs. E. R. Kennedy, Mrs. D. H. Cramer, Mrs. J. D. Blaine, and Mrs. C. C. Byrnes, tables; Mrs. Ethel Davis, decorations; Rev. C. E. Irons, program. The program which will follow the dinner, is now being prepared.

The public is invited to send in their reservations to Mrs. A. D. Rice or Mrs. M. J. Palmer.

separate Valencia set-up.

The proration program, while it involves many complex problems, offers real hope that something may be done to check the demoralization of markets, due to crop surpluses, and that prices may be stabilized at a point which will at least give the farmer some margin of profit.

Almond Exchange Closes '32 Business

The closing of the 1932 pools ordered by the directors of the California Almond Growers exchange has completed all pool closings and will result in the distribution of approximately a quarter of a million dollars to the members of the association.

According to an announcement made in San Francisco today by T. C. Tucker, manager of the exchange, these pool closing statements are now being mailed to the growers.

The early closing of the 1932 pools was due to the new grading policy instituted by the exchange, whereby each grower is assured of payment on the basis of quality of almonds delivered by him, and the trade is given an assurance of the exact grades.

Earlier pools representing previous crops have also been closed and the returns are represented in the statements now being mailed out to the members of the exchange.

Food Sale

Group No. 1 of the Congregational guild will hold a food sale at Field's store Saturday morning.

In Santa Cruz

Mrs. Harry White is spending several days with her daughter, Mrs. Harry Voss, in Santa Cruz.

Visitors

Mr. and Mrs. Frank Morrow were visitors at the A. D. Rice home Sunday.

Sunday Visitors

Mrs. E. D. Hubbell had as visitors Sunday her son and daughter, Mr. and Mrs. Irving Hummel.

starting at 8 o'clock, and "Home Sweet Home" being played at midnight. The dance was chaperoned by Miss Ruby Howes, Mrs. Lillian Rae, D. H. Cramer, T. A. Cutting, Mr. and Mrs. A. A. Thielke, and Coach Ralph Noddin. The student body is planning another dance in the near future.

A regular meeting of the student body was held Tuesday, April 25, under the direction of Miss Ruby Howes. The program included a play, "Gym and Jerry." The players and their parts were: Jerry, Lulu Murdock; Ruth, Betty Henley; Dot, Joan Hughes; Judge, Mary Furtado; court attendants, Maxine Bouchard and Dorothy Holloway; Posture, Ann Yurkovich; Weight, Frances Chesney; Stomach, Jane Waltrip; Feet, Idell Fulton and Nina Samford; Spirit of Something Else, Lulu Caldwell. The cast was supported by a large chorus of girls from different gym classes. The program was enjoyed by the student body and faculty.

A Mothers and Daughters Tea will be given in the annex of the high school Friday afternoon, April 28, from 4 to 6 o'clock. The committees in charge are doing their best to make this a memorable event. The program to be presented includes Olga Brydon and Betty Keesling, piano duet; Mabel Matteson, song; "Gym and Jerry," a play; Verna Gamman, reading; Mona Keesling, flute solo; Maxine Bouchard, reading; Lois Bachman, Lula Caldwell, Frances Reed, song; waltz clog, first period gym class; Olga Brydon, marimba solo; country dance, third period gym class; Marjorie Prout and Wilma Taylor, dance; Jeannette Wellington, piano solo; Joan Hughes, piano solo; Corrine Del Grande, song. To end the program, the tumbling team will do a few stunts.

Committees include: refreshment, Mary Cuciz, Marie Labrucharie, Madeline Byrnes, Wilma Taylor, Gertrude Smith, Katherine Seko, Alice Johnston, Frances Reed, Lulu Murdock, Margaret Smith; reception: Sylvia Best, Alice Birds, Sally Davidson, Lois Bachman, Frances Reed; serving: Nina Samford, Lula Caldwell, Betty Davis, Mary De Rose, La Verna Anderson; decoration: Lenora Johnson, Gladys Nelson, Betty Henley, Olga Brydon, Betty Keesling, Idell Fulton, Alice Grant, Gertrude Smith; clean-up: Emma Dober, Betty Henley, Joan Hughes, Ann Yurkovich, Idell Fulton, Lulu Murdock, Margaret Smith.

Says Gasoline Tax Diversion Will Steal Many Jobs

Declaring unalterable opposition to diversion of gasoline tax revenues from the state highway fund to the general fund, organized labor, motorists' organizations and other statewide groups are maintaining a united front against proposals pending before the legislature to use the gas tax for general state purposes. This was evidenced by reports today from Sacramento. Vigorously opposing diversion of the tax are the California State Federation of Labor, Automobile Club of Southern California, California State Automobile association, League of California Municipalities, County Supervisors association, and numerous other organizations and civic groups.

The stand of organized labor in opposition to diversion was emphasized in a statement today by Paul Scharrenberg, secretary of the California State Federation of Labor. He said:

"Aside from the other vital questions of public policy and fair play to the motoring public who pays the gasoline tax, the fact cannot be ignored that immediate proposals for diversion of the tax would at once remove approximately \$15,000,000 from use for employment on road work. Ninety cents of each dollar expended on highway work goes to labor, according to state department of works' estimates. With the prevailing acute unemployment situation, it would be little less than a calamity to curtail this form of public work. That will be the result if the highway fund is depleted by diversion of the gas tax.

"For this and many other reasons, dipping into the gasoline tax for millions of dollars to balance the budget would be a cowardly course. It would mean weakly following the lines of least resistance, instead of courageously and frankly meeting the problem raised by the present condition of state government finances."

FUTURE FARMERS DEFEAT ALMADEN AT BASEBALL

The Campbell chapter of the Future farmers of America of the high school defeated the Almaden grammar school in a baseball game held Thursday, April 20, by a score of 9 to 1.

The first three innings were a tie, 1-1, but in the next two innings the Campbell team began to rally and at the end of the game had nine runs.

Corey was on the mound for Campbell. Ogino was the man of the day with a home run; Bianco took a triple, and Turturici a double.

Campbell players and their positions were: Bill Corey, pitcher; Albert Frank, catcher; Ignatious Turturici, first; Norman Husted, left field; Ali Bianco, center; John Matta, center; Ray Mondo, right field; Joe Murneo, left field, Al Mancuso, right field, and Tom Ogino, pitcher.

Editor's Note: This last according to the information handed in by the boys themselves. The game was evidently played without a second or third baseman.
